Section 1 – Misconducts/Rule Violations

A. General

1. Every inmate under the jurisdiction of the Department is expected to follow Department rules and regulations. If an inmate violates Department rules and regulations, the violation shall be reported and disposed of either by an informal or formal process.¹ The informal resolution process shall be used for those violations that are considered less serious in nature, while the formal resolution process shall be used for violations of a more serious nature. The **Misconduct Charges (Attachment 1-A)** provides a list of prohibited behavior that may result in the commencement of disciplinary procedures. As explained in **Section 2** of this procedures manual, only Class I charges #35 through #46 and Class II charges are subject to informal resolution by the Unit Management Team. Class I charges #1 through #34 shall be disposed of formally by the Hearing Examiner.
2. For inmates on the active Mental Health/Intellectual Disability (MH/ID) Roster, those suffering from a serious mental illness (SMI) (refer to Department policy **13.8.1, “Access to Mental Health Care,” Section 10**), or juvenile inmates (for purposes of this policy, those inmates who are under the age of 18), all Class I and II charges # 26 through # 52 are eligible for informal resolution. In addition, for inmates carried on the active MH/ID Roster or juvenile inmates, informal resolution to include assignment to the Residential Treatment Unit (RTU) or other appropriate treatment program/unit can be considered with input from the Psychiatric Review Team (PRT).

B. Misconduct/Rule Violations Reports

Every rule violation is to be reported via a **DC-141, Part 1, Misconduct Report (Attachment 1-B)**. An inmate charged with any of the listed violations shall receive a copy of the report.²

1. The **DC-141, Part 1** is to be used to give notice to the inmate of the rule violation(s) with which he/she has been charged and to report the facts upon which the charges are based. The **DC-141, Part 1** shall be used as evidence against the inmate during the misconduct or informal resolution hearing.³
2. The **DC-141, Part 1** shall be written by either the charging staff member or contract service provider who has personal knowledge of the rule violation. On an as-needed basis, the **DC-141, Part 1** may be written by a staff member at the direction of a person who has personal knowledge of the misconduct; in such cases, the **DC-141, Part 1** must include a justification as to why the individual with personal knowledge did not write the report.

¹ 4-ACRS-3A-07, 2-CI-5A-5, 2-CI-5A-6

² 4-ACRS-6C-02

³ 5-ACI-3C-07, 5-ACI-3C-08, 4-ACRS-6C-01

3. The **DC-141, Part 1** shall be written and submitted to the Shift Commander or Officer-in-Charge before the tour of duty concludes, the same day/shift that the charging staff member or contract service provider has knowledge of the violation. If not, the report shall include a justification for the delay.⁴
4. The **DC-141, Part 1** shall be investigated as required, reviewed and approved by the Shift Commander, prior to service of the **DC-141, Part 1** on the inmate. The Shift Commander, as an alternative to approving the misconduct, may refer the matter for informal resolution in accordance with **Section 2** of this procedures manual. The Shift Commander shall enter all pertinent information regarding the misconduct into the Department Misconduct Tracking System.⁵
 - a. The Shift Commander's investigation shall include a determination of the inmate's mental health status. The Licensed Psychologist Manager (LPM)/Mental Health Coordinator (MHC) or designee will provide the active MH/ID Roster daily to the Shift Commander.
 - b. If the inmate is a juvenile or carried on the active MH/ID Roster and the misconduct is non-violent in nature (i.e., misconduct charges #26 to #52) the Shift Commander will refer the misconduct for informal resolution except in cases where the Shift Commander determines after investigation that the nature of the misconduct warrants a formal hearing. In such cases, the Shift Commander must provide material justification for his/her decision. A material justification must include specific articulated details about why the behavior/incident presented an imminent security risk to the orderly operation of the facility. If the Hearing Examiner determines that the justification is insufficient, the referral for formal hearing will be denied.
 - c. If the inmate is carried on the active MH/ID Roster, the Shift Commander must complete the general information section of the **Mental Health/Intellectual Disability Consultation for Disciplinary Disposition Form (Attachment 1-C)** as part of the investigation of the misconduct. Upon completion of the general information section, the Shift Commander shall forward the **Mental Health/Intellectual Disability Consultation for Disciplinary Disposition Form**, along with a copy of the **DC-141, Part 1**, to the designated e-mail resource account for the facility's LPM/MHC/designee.
 - d. ***If the misconduct is drug-related, the charged inmate will immediately be prohibited from having contact visits. Drug-related misconducts include dealing, using (including positive drug test results or refusal to submit to drug testing), or possessing illegal or non-prescribed drugs and/or drug paraphernalia. This special security precaution will commence immediately and shall continue pending disposition of the charge(s) as outlined in Section 4 of this procedures manual. These misconducts will not be referred for informal resolution. Prior to service of the misconduct report, the Shift Commander shall***

document, “Non-Contact Visitation Imposed – Drug-Related Misconduct” within the Immediate Action Taken And Reason section of the DC-141, Part 1.

5. The staff member authoring the misconduct report or the Shift Commander may make a referral to psychology utilizing the **DC-97, Mental Health Referral Form** (refer to Department policy **13.8.1, Section 1**), regardless of roster status, if the inmate’s behavior suggests serious mental illness.

C. Attempted Suicide or Self-Injurious Behavior

1. An inmate who attempts suicide or engages in self-injurious behavior (SIB) whether mentally ill or otherwise, shall not be subjected to discipline for that behavior. Attempted suicide or SIB may include, but is not limited to the following:
 - a. Superficial Self-Injury – a socially unaccepted behavior that is generally a response to a psychological crisis that results in tissue damage and which occurs in the absence of subjective suicidal intent and includes non-life-threatening scratching and cutting;
 - b. Stereotypic Self-Injury – intense repetitive behaviors to include:
 - (1) biting self;
 - (2) head banging;
 - (3) punching self; and/or
 - (4) jumping.
 - c. Major Self-Injury – the most extreme form of SIB which may result in serious injury or death to include:
 - (1) setting fire to self;
 - (2) amputation of limb or other tissue;
 - (3) ingestion of a toxic substance and/or ingestion of a foreign body; and/or
 - (4) hanging.
2. A **DC-141, Part 1 Misconduct Report** shall NOT be issued for the following:
 - a. to discipline an inmate for any of the criteria listed in **Subsection C.1. above** or related behaviors. An incident report shall be written and a **DC-141, Part 1, Other** report may be written to confine the inmate in Administrative Custody (AC), including Psychiatric Observation Cell (POC) or Diversionary Treatment Unit (DTU), if his/her behavior presents a danger to him/herself or others. The staff member authoring the

misconduct report or the Shift Commander shall make a referral to psychology utilizing the **DC-97** when filing the incident report;

- b. destruction of property or possession of contraband when related to an attempted suicide or SIB. For example, misconduct reports shall not be issued in cases involving destruction of sheets to fashion a noose, inmate's use of a razor or broken glass to cut himself/herself; in such cases, misconduct reports should not be issued for destroying, altering, tampering with, or damaging property.
 - c. for an inmate's non-assaultive behavior in aid of an attempted suicide or SIB. For example, cases where an inmate covers camera or cell door and engages in a suicide attempt or SIB, a misconduct report should not be issued for refusing to obey an order or destroying, altering, tampering with, or damaging property; and/or
 - d. for any threatening statements made as an immediate precursor to, while engaged in, or in the immediate aftermath of an SIB. Such threats should be documented via incident report.
3. A **DC-141, Part 1 Misconduct Report** MAY be written for assaultive behavior engaged in by the inmate during suicidal behavior or SIB (i.e., an inmate spits on, strikes, etc. staff who have responded to the scene or who are restraining or in the process of transporting the inmate).

D. Service of Misconduct Report

1. The inmate shall be personally served with the **DC-141, Part 1** the same day the report is written.⁶ If the **DC-141, Part 1** is not served the same day the report is written, the Shift Commander/designee shall determine why the report was not served and supply justification on the **DC-141, Part 1**.
 - a. An inmate admitted to the POC shall not be served with the **DC-141, Part 1** until after the inmate is released from the POC. Once the inmate is released from the POC the **DC-141** may be served and the justification on the **DC-141, Part 1** shall document that the POC commitment was the reason for the delayed service.
 - b. The hearing room officer is responsible to maintain unserved **DC-141** reports for inmates housed in the POC and to ensure that service is effectuated once the inmate is released from the POC.
2. Someone other than the charging staff member or contract service provider shall serve the **DC-141, Part 1**. At Community Corrections Centers (CCCs) the charging staff member or contract service provider may serve the **DC-141, Part 1**.

⁶ 5-ACI-3C-11, 4-ACRS-6C-03

3. The staff member or contract service provider who serves the **DC-141, Part 1** shall record the date and time of service on the **DC-141, Part 1** immediately prior to giving the inmate a copy of the **DC-141, Part 1**.
4. The **DC-141, Part 2(A), Inmate Request for Representation and Witnesses Form (Attachment 1-D)** and the **DC-141, Part 2(C), Hearing Supplement, Inmate Version and Witness Statements Form (Attachment 1-E)** shall be delivered to the charged inmate with the **DC-141, Part 1**. The inmate shall fill out the **DC-141, Part 2(A)**, if he/she wishes representation and/or witnesses, and submit it to the block officer or CCC staff member no later than 9:00 a.m. the next day. The block officer shall sign the **DC-141, Part 2(A)**, give a copy to the inmate, and forward to the Hearing Examiner. The inmate shall bring the **DC-141, Part 2(C)** to the hearing. The **DC-141, Part 2(A)** and **DC-141, Part 2(C)** shall be properly filled out with the inmate's court commitment name and Department number, be free of unrelated symbols, including © and/or assumed titles, have a basis in Pennsylvania law and/or Department policy, and be specific to the misconduct.
5. If the inmate is an active MH/ID inmate, the Shift Commander will provide the LPM/MHC/designee a copy of the **DC-141, Part 1** and the **Mental Health/Intellectual Disability Consultation for Disciplinary Disposition Form** with the general information section completed by the end of his/her shift. The forms shall be submitted electronically to the designated Outlook resource account for the facility's LPM/MHC/designee.
6. Within 24 hours (or as soon as normal facility operations permit) of receipt of a copy of the **DC-141, Part 1** and the **Mental Health/Intellectual Disability Consultation for Disciplinary Disposition Form**, the LPM/designee will conduct an interview with the inmate to assess the inmate and complete the **Mental Health/Intellectual Disability Consultation for Disciplinary Disposition Form**. The inmate will be offered the opportunity to have the interview occur out-of-cell.
7. The **Mental Health/Intellectual Disability Consultation for Disciplinary Disposition Form** will be signed off by the LPM/designee. The evaluating mental health professional shall not have a current treatment relationship with the inmate.
8. If during the assessment the mental health professional determines the inmate requires a more urgent level of treatment, an appropriate referral shall be made (e.g., mental health commitment).
9. Following the interview with the inmate on the active MH/ID Roster, the LPM/designee will report his/her findings to the Hearing Examiner or other appropriate decision maker for use in his/her decision making process.
10. The Hearing Examiner or other decision maker shall consider the mental health recommendations, if any, before making a disposition in such a case.

E. Pre-Hearing Confinement

Pre-hearing confinement is not to be used routinely and shall be used only upon approval of the Shift Commander. The Shift Commander shall assess the incident and make the determination for pre-hearing confinement. When an alleged rule violation is reported, an appropriate investigation is begun within 24 hours of the time the violation is reported, unless there are exceptional circumstances for delaying the investigation.⁷ The Facility Manager/designee shall review the placement of the inmate within 72 hours of placement in pre-hearing confinement.⁸ Before utilizing pre-hearing confinement with inmates on the active MH/ID Roster, all other alternative measures shall be explored, including confinement in their housing unit.

2. The Shift Commander shall review all eligible **DC-141 Part 1, Misconduct Reports** for informal resolution. The staff member issuing the **DC-141, Part 1** may recommend informal resolution for eligible charges, but the Shift Commander, who shall base his/her choice on the relative seriousness of the misconduct, the inmate's status on the MH/ID Roster or as a **youthful offender** and the inmate's previous misconduct history, shall make the decision subject to the following:
 - a. the Shift Commander shall justify the reason why an eligible charge was not referred for informal resolution under the immediate action section of the **DC-141, Part 1**; and
 - b. if the inmate is a **youthful offender** or carried on the active MH/ID Roster and the misconduct is non-violent in nature (i.e., misconduct charges #26 through **#53**) the material justification must include specific articulated details about why the behavior/incident presented an imminent security risk to the orderly operation of the facility. If the Hearing Examiner determines that the justification is insufficient, the referral for formal hearing will be denied.

- b. If the inmate properly requests a witness who is not available at the time of the hearing, the inmate may elect to either waive the seven working days requirement or have the witness execute a written statement under oath which shall be presented in lieu of live testimony (subject to the penalties for un-sworn falsification to authorities). If the inmate elects to have the witness present, the hearing shall be rescheduled at the earliest time after the witness is available.
 - c. If an inmate witness or assistant becomes disruptive at the hearing or refuses to follow the instructions given by the Hearing Examiner, he/she shall be removed and the hearing conducted without the witness or assistant being present.

E. Waivers¹⁴

1. An inmate may voluntarily waive the hearing process outlined in this policy at any time prior to the hearing's completion. The inmate may also waive any witness request or time limitations relating to the hearing or notice of service.¹⁵
2. Every waiver shall be in writing and shall be signed by the charged inmate.

F. Inmate Refusal to Attend Hearing¹⁶

1. An inmate who refuses to attend a hearing shall be asked to sign a **DC-141, Part 2(D)** advising that he/she has a right to a hearing but may waive that right.
2. If the inmate refuses to attend the hearing or sign a waiver, two staff members who witness the refusal shall sign the **DC-141, Part 2(D)**. The hearing shall be conducted without the charged inmate present. The Hearing Examiner shall determine guilt or innocence, and a sanction shall be imposed if the inmate is found guilty.
3. The inmate may not appeal the results of a hearing he/she refused to attend.

1. No later than seven calendar days after hearing all evidence, the Hearing Examiner shall determine: based upon the evidence obtained in the hearing process, including staff reports, the statements of the inmate charged, and the evidence derived from witnesses and documents, if a preponderance of evidence exists that the inmate committed the misconduct and issue a finding of guilt.¹

NOTE: If an inmate is classified as seriously mentally ill (SMI) or is carried on the active Mental Health/Intellectual Disability (MH/ID) Roster, the Hearing Examiner should consider the assessment of mental health staff and any recommendations obtained from the **Mental Health/Intellectual Disability Consultation for Disciplinary Disposition Form** (refer to **Section 1** of this procedures manual).

2. After the Hearing Examiner reaches the decision, the inmate shall be called before the Hearing Examiner to hear the decision.
3. If the inmate is found not guilty, that finding shall be recorded in writing. The inmate shall be given a copy of the decision. No rationale for the decision is required. All record of the misconduct shall be removed from the inmate's facility file and retained in a separate facility file until the inmate is released or transferred.²

NOTE: In exceptional circumstances, such as when DTU or Secure Residential Treatment Unit (SRTU) beds are not immediately available, an inmate who is a youthful offender or who is SMI may be temporarily placed in an RHU until a transfer to a DTU or SRTU can be effectuated; however, an inmate who is a youthful offender or who is SMI may not be temporarily placed in the RHU if it has been clinically indicated (on the **Mental Health/Intellectual Disability Consultation for Disciplinary Disposition Form** of this procedures manual or otherwise) that RHU placement is inappropriate.

- (1) When a temporary RHU assignment must be made because no DTU/SRTU beds are available or expected to become available at the current facility, a transfer petition must immediately be filed requesting the inmate’s placement in a DTU bed. The petition must include a description of the exceptional circumstances that required temporary RHU placement. Upon receipt of the transfer petition, the Office of Population Management (OPM) will forward a copy of the transfer petition and the estimated transfer time to the Office of Chief Counsel.
- (2) All efforts should be made to effectuate transfers to the DTU as soon as possible and in no case may the temporary placement in the RHU exceed 13 days. - (3) An inmate who is a youthful offender or is SMI, who is temporarily placed in the RHU will receive the same privileges available to inmates housed in the DTU including being offered a minimum of 20 hours out-of-cell activity weekly. Ten of these hours are structured (e.g., run by appropriately credentialed staff), and ten of these hours are unstructured (e.g., yard/exercise, contact with peer specialists, etc.), beginning on the first day the inmate is placed in the RHU.
- (4) Each Monday, the RHU Unit Manager/designee will submit via email, to the Licensed Psychologist Director at Central Office and the respective Regional Licensed Psychologist Manager, the log sheet of out-of-cell hours on the **DTU Accepted/Refused Structured Out-of-Cell Program Log** (refer to Department policy **13.8.1**) and the **DTU Accepted/Refused Unstructured Out-of-Cell**

Section 5 – Appeals¹

A. First Level of Appeal – Program Review Committee (PRC)

1. An inmate who has been found guilty of a misconduct charge(s) may appeal to the PRC for initial review within 15 calendar days of the hearing by using the **DC-141, Part 2(E), Misconduct Hearing Appeal (Attachment 5-A)**. Inmates suffering from a serious mental illness (SMI) (refer to Department policy **13.8.1, “Access to Mental Health Care,” Section 10**) will not have their appeals rejected as untimely. The three valid basis for an appeal to the PRC are:²
 - a. the procedures employed were contrary to law, Department directives, or regulations;
 - b. the punishment is disproportionate to the offense; and/or
 - c. the findings of fact were insufficient to support the decision.
2. Appeal from a finding of “not guilty” is not permitted; and, an appeal from an accepted guilty plea may only be advanced on the basis of **Subsections A.1.a.-b. above**.
3. Every appeal shall be in writing and shall be signed by the inmate using his/her court commitment name and Department number. Presenting documents in some other fashion, including, but not limited to the use of “©” in connection with an appeal, may be a cause for rejection of the appeal. Only one appeal submission to the PRC is permitted for each misconduct report.
4. An inmate may seek assistance from a staff member, a Certified Peer Specialist, or an inmate in the same population status in the preparation of an appeal.³ The requested assistant may decline to provide assistance. The inmate appellant shall sign the appeal using his/her court commitment name and Department number. Presenting documents in some other fashion, including, **but not limited to** use of “©” in connection with an appeal, may be a cause for rejection of the appeal.
5. The PRC shall discuss pending misconducts/appeals with inmates who are youthful offenders (under the age of 18) or who are designated as SMI. For SMI inmates who desire to pursue an appeal of a misconduct and who are housed in a specialized housing unit (Diversionary Treatment Unit [DTU], Secure Residential Treatment Unit [SRTU], etc.) or for whom PRC determines it is necessary, the PRC shall direct⁴ that a Certified Peer Specialist or an inmate in the same population status is assigned to assist the inmate in filing the appeal. Assistance shall consist of:

¹ 5-ACI-3C-23

² 5-ACI-3C-02

³ 5-ACI-6B-12

⁴ 5-ACI-3C-18

- a. meeting with the inmate and ensuring that the inmate has obtained the correct documents, policies, and forms to file the appeal;
- b. ensuring that the inmate has access to this procedures manual and understands the procedures and requirements for completing the appeal forms;
- c. assistance in preparing documents that are stylistically and grammatically suitable for submission;
- d. ensuring that the inmate understands who/where the appeal is to be submitted; and
- e. ensuring that the inmate understands the deadline for filing of the appeal.

NOTE: Assistance will not include providing legal advice or representation. The assigned Certified Peer Specialist should not have a connection with the underlying facts of the misconduct and cannot have been a witness in the underlying case.

6. The appeal shall include a brief statement of the facts relevant to the appeal and issues complained of on appeal. Appeals that are not brief or that are found to be an attempt to harass, intimidate, or burden the reviewers or to distract them from their duties by placing a hardship on them to determine the appeal points, may be rejected on that basis. Further, the text of any appeal shall be legible and presented in a courteous manner, free of vulgarity and profanity or language or symbols attempting to harass, intimidate, or extort the reviewers.
7. The PRC shall address each issue raised by the inmate and may, at its discretion, consider any other matter relevant to the issues raised. In all cases, the PRC shall consider the mental health status of the inmate and if he/she suffers from an SMI. The PRC is not required to address issues not raised or issues unrelated to the instant misconduct.
8. The PRC shall have the authority to:
 - a. reject any appeal that does not conform to **Subsections A.1.-6. above**;
 - b. uphold the Hearing Examiner’s or Unit Management Team’s decision;
 - c. uphold the finding of guilt, but modify the punishment pursuant to the notice requirements in Department policy **6.5.1, “Administration of Security Level 5 Housing Units,” Section 1**, dealing with early release from the Restricted Housing Unit (RHU);
 - d. vacate the decision and remand back to the Hearing Examiner for a rehearing;
 - e. vacate the decision and charge to permit recharge and rehearing; or
 - f. dismiss the charge and prohibit recharge.

9. The PRC may not impose a greater punishment than has been designated by the Hearing Examiner. The PRC shall provide a brief written statement to the inmate of the reasons for its decision within seven working days of receipt of an appeal.

B. Second Level of Appeal – Facility Manager⁵

1. The inmate may appeal the decision of the PRC to the Facility Manager/designee within seven calendar days of receipt of the written PRC decision by using the **DC-141, Part 2(E)**. Inmates suffering from an SMI (refer to Department policy **13.8.1, Section 10**) will not have their appeals rejected as untimely. The requirements of **Subsections A.2.-6. above** shall also apply to the Second Level of Appeal. An appeal to this level may be rejected for the inmate's failure to comply with the requirements of **Subsections A.2.-6. above**. The three valid basis for an appeal to the Facility Manager/designee are:
 - a. the procedures employed were contrary to law, Department directives, or regulations;
 - b. the punishment is disproportionate to the offense; and/or
 - c. the findings of fact were insufficient to support the decision.
2. The Facility Manager/designee shall address all issues raised by the inmate and may, at his/her discretion, consider any other matter relevant to the issues raised. In all cases, the Facility Manager/designee shall consider the mental health status of the inmate and if he/she suffers from an SMI. The Facility Manager/designee is not required to address issues not raised or issues unrelated to the instant misconduct.
3. The Facility Manager/designee may make any decision that the PRC was permitted to make, as defined in **Subsection A.8. above**.
4. The decision of the Facility Manager/designee shall be in writing and shall be forwarded to the inmate within seven working days of receipt of the appeal. Any day that the Facility Manager/designee is absent from the facility shall not be included in the seven working days. In the event of annual leave or an extended absence by the Facility Manager/designee, a designee who was not on the PRC that heard the inmate's first level of appeal shall respond to the second level of appeal in place of the Facility Manager.

C. Final Appeal – Chief Hearing Examiner

1. The Department intends to provide every inmate with a complete and timely review of all appeals properly raised to final review. The following steps have been established to ensure timeliness at final review while continuing to provide a thorough impartial review of the issues.

⁵ 5-ACI-3C-02

2. All final appeal submissions shall be mailed and addressed to:

The Chief Hearing Examiner's Office
1920 Technology Parkway
Mechanicsburg, PA 17050

3. The inmate may appeal the decision of the Facility Manager/designee within seven calendar days of the receipt of the Facility Manager/designee's decision. Appeals that are addressed to the Secretary, Chief Counsel, or other Central Office Staff, are delivered to these individuals first, and then referred to the Chief Hearing Examiner's Office. Inmates suffering from an SMI (refer to Department policy **13.8.1, Section 10**) will not have their appeals rejected as untimely. Improperly addressed appeals may cause a delay in the response at final appeal.
4. An inmate who appeals his/her misconduct for final review shall provide the Chief Hearing Examiner's Office with a brief statement of the facts relevant to the appeal and issues complained of on appeal by using the **DC-141, Part 2(E)** and accompanied by the documents specified in **Subsection C.5. below** or available documentation relevant to the appeal. The requirements of **Subsections A.2.-6. above** shall also apply to the Final Level of Appeal. An appeal to this level may be rejected for the inmate's failure to comply with the requirements of **Subsections A.2.-6. above**. The three valid basis for an appeal to the Chief Hearing Examiner's Office are:
 - a. the procedures employed were contrary to law, Department directives, or regulations;
 - b. the punishment is disproportionate to the offense; and/or
 - c. the findings of fact were insufficient to support the decision.

NOTE: Only one appeal for any misconduct may be submitted for final review.

5. A proper appeal for final review should include photocopies of the Misconduct Report, Hearing Examiner's Report, the Inmate Version and Witness forms, Appeal to the PRC, the PRC's Response, Appeal to the Facility Manager, and the Facility Manager/designee's response. The Chief Hearing Examiner's Office will not return nor furnish copies of any of the materials sent to the office for final review. ***In the instance where appeals are received at Final Review and are absent the DC-141 Part 2(E), but include all other necessary documents, the Chief Hearing Examiner's Office will at that point consider the valid grounds and/or basis of appeal supplied on the previous DC-141 Part 2(E) forms that were submitted by the inmate at the first and second appeal levels.***
6. The Chief Hearing Examiner's Office shall review and respond to every misconduct appeal to final review within seven working days of receipt of all necessary records, as defined in **Subsection C.5. above**. The Chief Hearing Examiner's Office shall review the misconduct, the hearing report, and all appeals arising from either, and the specific basis, as defined in **Subsection C.4. above**, actually raised by the inmate in the appeal to final

review. In all cases, the Chief Hearing Examiner's Office shall consider the mental health status of the inmate and if he/she suffers from an SMI.

7. Upon completion of final review, the Chief Hearing Examiner's Office shall respond in writing directly to the inmate when the Facility Manager/designee's decision is upheld.
8. When the decision of the Hearing Examiner, the PRC, or the Facility Manager/designee is reversed or amended, or when a matter is remanded, the Chief Hearing Examiner's Office shall prepare a letter to the inmate and a memorandum to the Facility Manager/designee. The Chief Hearing Examiner's Office shall forward the letter and memorandum to the appropriate Regional Deputy Secretary for review and signature.

Section 8 – Assessment of Financial Losses and Costs

A. When the Cost is Known at the Time of the Misconduct Hearing

1. The Department shall develop a list setting forth the actual financial loss or costs, of replacing standard items furnished to or used by an inmate. The list may include, but not necessarily be limited to, items such as bedding, food trays, and articles of clothing. The list may be updated as deemed necessary by the Department. Any such update may add or delete items from the list and may increase or decrease the financial loss or cost of items reflected on the **Cost of Replacing Commonly Damaged Items Listing (Attachment 8-A)**. A copy of this list, and any revisions to the list, shall be made available to each inmate.
2. The Misconduct Report shall include a statement describing the items and the actual amount of the reimbursement that may be ordered as part of the sanction. A copy of the Misconduct Report shall be provided to the facility Business Manager upon service of the Misconduct Report. The facility may temporarily delay processing some or all expenditures from the inmate's account if the facility believes that the inmate is attempting to circumvent the potential assessment.
3. When a Hearing Examiner orders that an inmate reimburse the Department or another person for a financial loss or cost, the Hearing Examiner may order the reimbursement as part of the misconduct hearing decision without conducting a further proceeding. If a financial loss or cost is to be assessed as part of the misconduct hearing decision, the inmate witnesses permitted to testify during the misconduct hearing may include otherwise permissible witnesses whose testimony is relevant to the determination of the financial loss or cost.
4. Notice of a misconduct hearing decision ordering an inmate to reimburse the Department or another person shall be given to the facility Business Manager. Upon receipt of a decision imposing an assessment against an inmate, the Business Office can take up to 50% of the inmate's current account balance and 50% in subsequent months until the debt is satisfied. However, funds shall not be deducted from the inmate's account until such time as an appeal resulting from the misconduct decision is finally resolved or the time for the filing of an appeal has passed without an appeal being filed. If an appeal is filed, the facility Business Manager/designee may delay or temporarily suspend processing expenditures from the inmate's account pending disposition of the appeal.

B. When the Cost is Not Known at the Time of the Misconduct Hearing

1. When, as the result of a misconduct hearing, a Hearing Examiner orders that an inmate pay for a financial loss or cost resulting from a violation or written rules governing inmate behavior, notice of such order shall be given to the facility Business Manager. The facility may temporarily delay processing some or all expenditures from the inmate's account if the facility believes the inmate is attempting to circumvent the potential assessment.

2. The Business Manager, in consultation with appropriate Department staff or others, shall determine the amount of the financial loss or cost resulting from the violation of written rules governing inmate behavior, including the amount of investigative or administrative costs.
3. A Department employee shall deliver a **Notice of Assessment for Misconduct (Attachment 8-B)** to the inmate.
4. In accordance with Department policy **DC-ADM 820, “Co-Payment for Medical Services”** if the assessment is based upon costs incurred to provide medical treatment to an inmate whose injury was caused by another inmate’s assaultive conduct, the assaultive inmate shall be required to pay a fee equivalent to two-thirds of the total cost of medical services provided to the injured inmate.
5. An inmate who wishes to challenge the amount of the financial loss or cost set forth in the **Notice of Assessment for Misconduct** shall request a hearing within five working days after receipt of the **Notice of Assessment for Misconduct**. A hearing request is made by signing the **Notice of Assessment for Misconduct** in the space indicated and submitting it to the Hearing Examiner in the same manner as designated for a request slip.
6. If an inmate timely requests a hearing, it shall be scheduled with prior written notice to the inmate and the Business Manager of the date, time, and place and shall occur before a court reporter or stenographer and a Hearing Examiner, who may conduct the hearing via video conferencing.

C. Cost Assessment Hearing

1. The assessment hearing is an opportunity to present testimony and evidence regarding the amount of the financial loss or cost. The assessment hearing is **NOT** an opportunity to contest the inmate’s guilt or innocence for the underlying misconduct charge.
2. A Hearing Examiner shall conduct the Assessment Hearing.
3. The criteria set forth above for acceptance of witness and version forms, recognition of the convening authority, and sworn/affirmed testimony, shall apply to assessment hearings as well as misconduct hearings.

The Department may present a written statement in lieu of live testimony. The witness subject to the penalties for un-sworn falsification shall make any such written statement to authorities under **18 Pa.C.S. §4904**.
2. The Hearing Examiner may require the presence of any staff member or other person on the grounds of the facility at which the hearing is being conducted.
3. The inmate may request witnesses at the assessment hearing in accordance with **Section 3** of this procedures manual.
4. All live testimony shall be made under oath.
5. An inmate who fails to appear for his/her assessment hearing shall be deemed to have waived the request for a hearing unless such failure to appear is for reasons beyond the inmate's control. If the inmate waives the request for a hearing, the assessment shall be upheld.

F. Disposition

1. The Hearing Examiner shall determine the amount of financial loss or cost, if any, resulting from the violation of written rules governing inmate behavior.
2. The Hearing Examiner shall prepare a written summary of the Assessment Hearing, including the amount of the assessment, if any, the facts relied upon in reaching the decision, and the reasons for the decision. A copy shall be forwarded to the facility's Business Manager and to the inmate.
3. Upon receipt of a decision imposing an assessment against an inmate, the facility Business Manager may deny the inmate permission to spend funds in his/her account in an amount equal to the lesser of the amount of the assessment or 50% of the funds in the inmate's account on the day the decision is received. Funds shall not be deducted from the inmate's account until such time as an appeal resulting from the misconduct decision is finally resolved or the time for the filing of an appeal has passed without an appeal being filed. If an appeal is filed, the facility may delay or temporarily suspend processing expenditures from the inmate's account pending disposition of the appeal.

G. Appeals

1. When the Cost is Known at the Time of the Misconduct Hearing

 - c. Pending disposition of an appeal, the facility Business Manager may deny the inmate permission to spend funds in his/her account in an amount equal to the lesser of the amount of the assessment or 50% of the funds in the inmate's account on the day the original decision was received.

Upon receipt of the Hearing Examiner's written summary of the Assessment Hearing, including the amount of the assessment, if any, the facts relied upon in reaching the decision, and the reasons for the decision, the inmate shall have 30 calendar days to file an appeal. Untimely appeals shall be deemed to be a withdrawal of any objections to the Hearing Examiner's written report and shall result in an order that summarily affirms it.
 - c. Every appeal shall be in writing. Only one appeal may be submitted for any assessment. The two valid bases for an appeal are:
 - (1) the procedures employed were contrary to law, Department directives, or regulations; and/or
 - (2) the findings of fact were insufficient to support the decision.
 - d. The appeal shall be addressed to:

DC-ADM 801, Inmate Discipline Procedures Manual
Section 8 – Assessment of Financial Losses and Costs

3. An inmate who is appealing from an Assessment Hearing shall provide the Chief Hearing Examiner's Office with a written document that specifies each and every objection or Exception to the Hearing Examiner's written report. Additionally, the written appeal by the inmate shall provide any and all legal support for the Appellant's position.
4. The Chief Hearing Examiner's Office shall review any appeals that are timely and properly filed and shall prepare a memorandum opinion and order for review and signature by the Secretary, who may:
 - a. reject the appeal as untimely or submitted improperly;
 - b. uphold the decision being appealed;
 - c. amend the amount of the assessment or vacate part or all of it; or
 - d. remand the proceeding for further action.
5. Upon review and signature by the Secretary, the inmate and Business Manager shall be provided with a copy of the memorandum opinion and order.

Pending disposition of an appeal to the Secretary or to the courts, the facility Business Manager may deny the inmate permission to spend funds in his/her account in an amount equal to the lesser of the amount of the assessment or 50% of the funds in the inmate's account on the day the decision is received. Funds related to the assessment being appealed shall not be deducted from the inmate's account until such time as appeals resulting from the misconduct decision are finally resolved or the time for the filing of an appeal has passed without an appeal being filed. If an appeal is filed, the facility may delay or temporarily suspend processing expenditures from the inmate's account pending disposition of the appeal.
