Knee Tilt mechanisms vs. Synchronous Tilt mechanisms

With a synchronous tilt, the user is able to adjust the seat and back independently of each other. The knee-tilt option allows the user's feet to stay firmly on the floor while inclining the seat to different angles of support. Synchronous tilt allows the user to "lock-out" the seat and back to an infinite number of positions for maximum comfort.

INDEX

MM#	PRICE	DESCRIPTION
363091	\$505.45	Ithaca Chair, Height & Width Adjustable T-Arms, Seat Slide

The Pilot and Pilot XL is a tough, sturdy and comfortable chair used when "one size fits many" is required. This heavy-duty, oversized executive chair provides style and ergonomic support for the big and tall person. Recommended for 24/7 use.

Features and Benefits:

- Heavy duty, multi-function mechanism offers the user a free-float or infinite lock function. Choose between a locked or recline option
- Heavy duty gas lift
- Extra wide base
- Heavy duty casters
- Ratcheting back height adjustment mechanism is easily adjustable from a seated position
- Back has built-in lumbar support
- Comfortable arm pads
- Enhanced, extra-thick contoured foam with waterfall seat edge
- 22" wide seat or the XL offers a 24" wide seat
- Easily adjustable seat slider

MM#	PRICE	DESCRIPTION
363095	\$709.50	Pilot Chair, Pedestal Base, Height Adjustable T- Arms
363096	\$872.95	Pilot XL Chair, Fully Adjustable T- Arms

SNAP CHAIR TASK SEATING

Snap chairs offer value, comfort and reliability. Because of its molded foam and lumbar pillow for the back support, Snap has the perfect combination of soft seat and firm back. The user is able to adjust back height, back pivot and arm height. The Snap line includes a high-back task chair and stool option.

Features and Benefits:

- Seat and back can “free-float” for passive ergonomic comfort
- Sculpted seat to better distribute weight and eliminate “pressure points”
- Height and width adjustable T-arms are standard; shown with Loop arms
- Built in lumbar pillows for greater long-term seating comfort
- Adjustable seat depth
- The Snap Stool features a stable 26" five-star base with a generous foot ring in black or chrome.

MM#	PRICE	DESCRIPTION
363092	\$316.15	Snap High-back Task Chair, Advanced Function T-Arms
363093	\$305.90	Snap High-back Stool, Adjustable T-Arms, Chrome Foot Ring
363094	\$292.55	Snap High-back Stool, Adjustable T-Arms, Plastic Foot Ring
