\*SCI Waymart Population includes 81 inmates in the Waymart Forensic Treatment Center and is not included in the percent of capacity of SCI Waymart.

\*\* Does not include the 1,780 parolees of CCC's & Contract Facilities or the 536 halfway back population.

As of May 31, 2004, the Department began reporting "Operational Bed Capacity", which represents the optimal number of inmates that each facility can house based on a number of factors. In addition to cell size and security level, "Operational Bed Capacity" takes into consideration availability of inmate employment or programming, support services, and facility infrastructure. Prior capacity ratings were based solely on the physical characteristics of the cells (i.e., cell size and security level). This is not a change in how the Department operates. It is rather a change in how the Department assesses capacity with respect to quality of life and safety for both staff and inmates.
