

AssetWorks M5

M5 v15 Information

- The screens/frames contain the same information in basically the same place ... the screens just look different
- You can use the <Tab> or <Enter> key
- No longer have the need for 'muser' account to log into M5

M5 Information

- The Home Screen looks the most different
 - Has a message area where BVM can provide auto liaisons (and anyone who uses M5) messages
 - May change in the future.
- There is the ability to ‘LogOff’ of M5
