Administrative Record File and Information Repository: Annville Free Library, 216 East Main Street, Annville, PA
An Administrative Record File is the body of technical documents that "form the basis" for the selection of a particular response at a site. An information repository is a reference collection of site information containing the Administrative Record File, other site-specific information, the Community Relations Plan, information about Restoration Advisory Boards and general information.

If you have questions regarding the project, contact Jo Anderson at (717) 861-8181
