Congratulations on registering your business with the State of Pennsylvania. Now that your filing with the Pennsylvania Secretary of State is complete, you're eligible to obtain your elective Pennsylvania Certificate of Good Standing. A Pennsylvania Certificate of Good Standing is issued by the Pennsylvania Secretary of State. A Pennsylvania Certificate of Good Standing, affirms that your company is still in Good Standing as a matter of record in the Office of the Secretary of State.

A Pennsylvania Certificate of Good Standing may be required for legitimate business purposes, such as opening a business bank account, making arrangements for accepting credit and debit cards for payments from customers, renewing business licenses, applying for loans or credit, and/or registering a Pennsylvania-formed company to conduct business in another state as a foreign entity.

Below is a form for your newly registered business. Please confirm the accuracy of the information below and return it with your payment in order to obtain your official Pennsylvania Certificate of Good Standing. Notices: Business Document Center is not a government agency and is a third party document preparation service. Our services are completely elective and you are under no obligation to use our services. This is an offer to provide our document services to you for a fee. You can purchase the certificate directly from the state for a cheaper price.
