

Waiver of the requirement for audited or reviewed of financial statements

The Solicitation of Funds for Charitable Purposes Act (Act) requires that a registration statement must be accompanied by a financial report for the immediately preceding fiscal year.¹ When a charity receives gross annual contributions of \$750,000 or more, the financial report must be audited by an independent certified public accountant or public accountant. When a charity receives gross annual contributions of \$250,000 to \$749,999, it must submit a review or audit. When a charity receives gross annual contributions of \$100,000 to \$249,999, a compilation, review or audit of the financial statements is required.²

Under 10 P.S. §162.5(j), the Department has “the discretion to accept the financial statement submitted by the organization in lieu of an audit or review *where special facts and circumstances are presented.*” There is no authority for the Department to accept the financial statement submitted by the organization in lieu of a compilation.

Waiver of the audited or reviewed financial statement requirement may be requested in writing to:

Pennsylvania Department of State
Bureau of Corporations and Charitable Organizations
207 North Office Building
Harrisburg, PA 17120

Waiver requests must specify the “special facts and circumstances” which have resulted in the request. Situation or conditions which do *not* constitute “special facts and circumstances” include:

An audit or review is costly
Charity was not aware of the audit/review requirement
Charity completed a fundraising campaign and received more contributions than expected

A waiver is not granted unless the organization receives a letter confirming the issuance of a waiver.
