**PEDRO A. CORTÉS**

COMMONWEALTH OF PENNSYLVANIA  
DEPARTMENT OF STATE

September 30, 2017

Dear Fellow Pennsylvanians:

On behalf of the Department of State, I am pleased to present the 2017 Annual Charities Report. The report provides an overview of the activities carried out by the Bureau of Corporations and Charitable Organizations (BCCO), including registrations of charitable organizations and enforcement of the Solicitation of Funds for Charitable Purposes Act, 10 P.S. §162.1 *et seq.* It also provides helpful information for consumers making charitable-giving decisions, by providing the number of charities contracting with professional solicitors and the compensation of professional solicitors for each solicitation campaign.

The mission of BCCO is to protect Pennsylvania residents by: (1) providing public access to documents filed by charities and professional fundraisers; (2) providing consumer education; and (3) investigating and prosecuting complaints of reported violations and fraudulent diversion of charitable funds.

Consumers and charities are encouraged to visit the Charities section under Business & Charities on the Department's website ([www.dos.pa.gov](http://www.dos.pa.gov)). The site offers a searchable database (link to Charities Search) where consumers can confirm whether a particular charity is registered, get information about the charity's expenses, file complaints and view educational materials. Charities and fundraising professionals can learn about their registration and filing responsibilities, view fundraising guidelines and access other resources. This and previous annual reports are available under the Resources link at the Charities section of the Department's website.

Thank you for your interest in the Pennsylvania Department of State and its work related to charitable organizations. If you have questions about the laws governing charities, or wish to report a fraudulent or deceptive solicitation practice, please contact BCCO at 1-800-732-0999 or you may email questions or provide information to [RA-STBEICIU@pa.gov](mailto:RA-STBEICIU@pa.gov).

Sincerely,

A handwritten signature in blue ink that reads "Pedro A. Cortés".

Pedro A. Cortés  
Secretary of the Commonwealth

# Introduction

The Pennsylvania Department of State is responsible for the administration and enforcement of the Solicitation of Funds for Charitable Purposes Act, 10 P.S. §162.1, *et seq.*

The Charitable Purposes Act requires charitable organizations to register with the Department of State before they solicit contributions in Pennsylvania (unless they are specifically excluded or exempt from registration requirements).

The Charitable Purposes Act also requires professional solicitors to register prior to soliciting on behalf of charitable organizations in Pennsylvania. Professional fundraising counsels are also required to register before providing solicitation-related services in the Commonwealth.

The Charitable Purposes Act also lists prohibited conduct by persons soliciting for charitable contributions in Pennsylvania and penalties that may be assessed for violations.

This annual report, covering the period of July 1, 2016 to June 30, 2017 details:

- The number of charitable organizations, professional fundraising counsels, and professional solicitors registered in Pennsylvania;
- The number of organizations ordered to cease and desist solicitation in Pennsylvania; and
- The number of charitable organizations contracting with

professional solicitors and compensation paid to the professional solicitor for each campaign in relation to funds raised and administrative costs.

Basic registration and financial information for all charitable organizations registered to solicit contributions in Pennsylvania can be obtained by visiting the Bureau of Corporations and Charitable Organizations' website at: [www.dos.pa.gov/BusinessCharities/Charities](http://www.dos.pa.gov/BusinessCharities/Charities) or by calling this toll-free number: 1-800-732-0999, between the hours of 8:30 a.m. to 5 p.m. Monday through Friday.

## Overview

The Bureau of Corporations and Charitable Organizations of the Department of State is responsible for carrying out the duties and responsibilities of the Secretary of the Commonwealth under the Solicitation of Funds for Charitable Purposes Act.

Charities functions consist of two divisions:

- Registration and Compliance
- Investigations

The key objective of both units is to provide donors with basic information that helps them in making wise charitable giving decisions.

## **Division of Registration and Compliance**

The Division of Registration and Compliance oversees the processes by which charitable organizations register with the Commonwealth pursuant to the Solicitation of Funds for Charitable Purposes Act.

The Division of Registration and Compliance also monitors professional solicitors and professional fundraising counsels who contract with charitable organizations that solicit contributions. Professional solicitors and professional fundraising counsels are required to provide documentation relating to their activities on behalf of charitable organizations.

The Bureau of Corporations and Charitable Organizations also serves as the repository for registration information pursuant to the Institutions of Purely Public Charity Act 10 P.S. § 371, et seq.

Institutions of purely public charity are those organizations that are receiving or claiming exemption from real property and/or sales tax and are not otherwise

required to register pursuant to the Charitable Purposes Act.

## **Charities Investigation Unit**

The Charities Investigation Unit pursues those charitable organizations, professional solicitors and professional fundraising counsels that fail to adhere to the registration requirements of the Charitable Purposes Act, or that otherwise engage in fraud or other violations.

In 2014, the Charities Investigation Unit was integrated into the Bureau of Enforcement and Investigation.

# Performance Highlights

## Registration

During the period included by the 2016/2017 Annual Report to the General Assembly, the Department of State has:

- Registered more than 12,626 Charitable Organizations.
- Reviewed more than 2,653 documents filed by more than 454 professional solicitors and professional fundraising counsels.
- Received registration information from more than 3,512 Institutions of Purely Public Charity.
- Processed checks totaling over \$2.7 million.
- Responded to over 22,000 inquiries for information.

## Enforcement

The Charities Investigation Unit of the Bureau enforced the Charitable Purposes Act, resulting in:

- 25 Consent Agreements and Adjudications,
- Orders for payment of fines in the total amount of \$97,200.
- 55 Cease and Desist Orders. There are currently 412 in effect.
- The completion of 382 investigations of charitable organizations suspected of violating the Act.

# Charitable Organizations

On June 30, 2017, there were 12,626 charitable organizations registered with the Department of State. Charitable organizations that are soliciting charitable contributions in Pennsylvania and are not otherwise excluded or exempt under the Charitable Purposes Act must file the following:

- (1) Annual registration statements,
- (2) IRS 990 federal informational returns, and
- (3) Financial statements. Depending on the amount of their annual gross contributions, those financial statements may have to be compiled, reviewed or audited.

A charitable organization which received annual contributions of \$300,000 or more must be audited by an independent certified public accountant or public accountant. Every charitable organization which receives annual contributions of at least \$100,000, but less than \$300,000, is required to have a review or audit of its financial statement performed by an independent certified public accountant or public accountant. Every charitable organization which receives annual contributions of at least \$50,000, but less than \$100,000, is required to have a compilation, review or audit of its financial statement performed by an

independent certified public accountant or public accountant. A compilation, audit or review is optional for any charitable organization which receives annual contributions of less than \$50,000.

The Charitable Purposes Act defines “**solicitation**” as any direct or indirect request for a contribution on the representation that such contribution will be used in whole or in part for a charitable purpose, including, but not limited to any of the following:

- (1) Any oral request that is made in person, by telephone, radio or television or other advertising or communication media.
- (2) Any written or otherwise recorded or published request that is mailed, sent, delivered, circulated, distributed, posted in a public place or advertised or communicated by press, telegraph, television or any other media.
- (3) Any sale of, offer or attempt to sell any advertisement, advertising space, sponsorship, book, card, chance, coupon, device, food, magazine, merchandise, newspaper, subscription, ticket or other service or tangible good, thing or item of value.
- (4) Any announcement requesting the public to attend an appeal, assemblage, athletic or competitive event, carnival, circus, concert, contest, dance, entertainment, exhibition, exposition, game, lecture, meal, party, show, social gathering or other performance or event of any kind.

A “**contribution**” is defined by the Charitable Purposes Act as the promise, grant or pledge of money, credit, property, financial assistance or other thing of any kind or value, excluding volunteer services, in response to a solicitation, including the payment or promise to pay in consideration of a performance, event or sale of a good or service. Payment by members of an organization for membership fees, dues, fines or assessments or for services rendered to individual members, if such fees, dues, fines or assessments confer a bona fide right, privilege, professional standing, honor or other direct benefit, is not deemed to be a contribution, provided that membership is not conferred solely as consideration for contributing in response to a solicitation. Government grants or contracts are not deemed to be a contribution.

While the Charitable Purposes Act generally requires organizations to register with the Bureau of Corporations and Charitable Organizations prior to soliciting charitable contributions, certain organizations are specifically and totally excluded from registration. For example, bona fide religious institutions and law enforcement organizations that meet certain criteria are typically excluded from the registration requirement.

Educational institutions, hospitals, veterans’ organizations, volunteer fireman organizations, ambulance

associations, rescue squad associations, public nonprofit library organizations, senior citizen centers, nursing homes and parent-teacher associations are typically exempt from the registration requirements of the Charitable Purposes Act, if they meet applicable criteria.

Charitable organizations that receive annual contributions of \$25,000 or less and do not compensate any person to conduct fundraising activities are also exempt from Charitable Purposes Act registration requirements. These organizations are still required to comply with all other provisions, including, but not limited to, keeping true and accurate records of their fiscal activities.

## **Professional Solicitors**

On June 30, 2017, there were 111 professional solicitors registered with the Bureau of Corporations and Charitable Organizations. Professional solicitors contract with charitable organizations to solicit direct monetary contributions and/or indirect contributions in the form of payment for goods, services or admissions to fundraising events for a charitable purpose. Basically, solicitors raise funds on behalf of charitable organizations and are permitted to have temporary (no more than five days) custody of those funds.

Professional solicitors must file annual registration statements and copies of their contracts with charitable organizations. In addition, they are required to secure a bond, file a solicitation notice with each contract and, as set forth in the next section, submit campaign financial reports.

549 contracts between charitable organizations and professional solicitors were processed during the year.

## **Campaign Financial Reports**

Professional solicitors must file campaign financial reports for each solicitation campaign they conduct in Pennsylvania. These reports must be filed within 90 days of the campaign's completion or on the anniversary of any campaign lasting more than one year. The reports must list the total contributions raised during the campaign, the campaign's total expenses, and the amount of the total contributions the charitable organization actually received. This information, summarized in Appendices A and B of this report, represents 594 campaign financial reports filed on behalf of 420 charitable organizations.

Since some campaigns can be multi-years in scope, the report filed on an anniversary date during the campaign period may include funds reported on the previous year's report.

During the 2016/2017 fiscal year, professional solicitors filed campaign reports reflecting total revenue of \$1,903,493,477.00 and total expenses of \$1,003,029,742.00 in Pennsylvania. The charitable organizations contracting with the solicitors received \$548,314,315.00 or 28.81% of the total revenue raised.

## **Professional Fundraising Counsel**

On June 30, 2017, there were 343 professional fundraising counsels registered with the Bureau of Charitable Organizations. Professional fundraising counsels are retained by charitable organizations to plan, manage, advise, consult or prepare solicitation materials. Unlike professional solicitors, professional fundraising counsels do not solicit contributions or have custody of contributions.

Professional fundraising counsels must file annual registration statements and copies of their contracts with charitable organizations no less than ten working days prior to conducting solicitation campaigns, events, or providing other services to charitable organizations.

## **Cease and Desist Orders**

The Investigation Unit issued 55 Cease and Desist Orders since the last annual report, and there are 412 Orders currently in effect. Generally speaking, Cease and Desist Orders are only issued after organizations have been notified of the registration requirements and failed to cooperate with the Bureau of Corporations and Charitable Organizations by becoming registered or by providing proof of exemption or exclusion from the requirements of registration. A list of all Cease and Desist Orders in effect is available on the website.

# Campaign Financial Reports for Charitable Organizations which used Professional Solicitors

The following section displays campaign reports listed alphabetically by the Solicitor. The gross amount is the amount raised for the charity by the solicitor. Total expenses represent the solicitor's expenses. The total amount received by the charity is the balance of funds raised after the solicitor's expenses have been deducted. The percentage figure represents the percentage of funds received by the charity. The charity's campaign reports typically include contributions raised from the entire campaign, not just those solicited directly in Pennsylvania.
