

PENNSYLVANIA VOTING SYSTEM & ELECTRONIC POLL BOOK REPORT

Summary

The information in this report is intended to provide a snapshot of recent and upcoming actions taken by the Department of State (DOS) regarding the examination and certification of voting systems and the approval of electronic poll books.

Please keep in mind that voting systems must first be examined by an authorized federal testing laboratory and certified by the Election Assistance Commission (EAC) before it can be submitted for examination to the DOS.

If a voting system or electronic poll book does not appear on the DOS voting system page or in this status report, it has not been submitted for examination.

Certified Systems and Systems Under Test

- For information about voting systems and electronic poll books that have been certified or approved by the DOS please refer to our voting system page [here](#).
- For information about voting systems that have either been certified or are currently undergoing certification testing at the federal level please refer to the Election Assistance Commission's [Voting System Testing Updates](#) Blog and [System Certification Process](#) page.
