Employee Benefits

Full-time employees of Pennsylvania College of Technology have the opportunity to participate in an extensive benefits program. Following is a brief overview of these benefits.

Group Insurance Programs:

Medical Insurance. The College provides a group hospitalization and medical insurance plan for full-time employees, their spouses, domestic partners, and eligible dependents. Such insurance becomes effective on the first day of employment. The premium for such insurance shall be shared by the College and employees. The College also provides a medical buyout program for employees with existing medical coverage. The program allows employees to waive the College's medical insurance and receive a monetary incentive for doing so.

Health Advocate Program. Available 24 hours a day, 7 days a week, our health advocate program offers support to covered full-time employees, their spouses/domestic partners, dependents and parents/parents-in-laws for issues such as finding providers; scheduling appointments, treatments, and tests; resolving claims issues; eldercare/Medicare assistance; transferring medical records; obtaining approvals from insurance companies; becoming informed about test results, treatments, and prescribed medications; and making informed medical decisions.

HSA/HRA/FSA. The College provides qualified full-time employees an opportunity to defer income on a pre-tax basis to pay for medical expenses not covered by the College's medical and dental plans and for dependent care expenses.

Dental Insurance. The College provides dental insurance for full-time employees, their spouses, domestic partners, and eligible dependents. The coverage becomes effective on the first day of the month following the first day of employment. The dental insurance premium is paid by the College.

Life Insurance. The College provides group life insurance for full-time employees. The amount is equal to two times the employee's base salary rounded to the next highest \$1,000 if not an even multiple of 1,000. The coverage is effective the first day of employment. The policy also provides accidental death and dismemberment insurance. When the employee reaches the age of 70, the amount of life insurance and accidental death and dismemberment insurance is reduced 50 percent. The life insurance premium is paid by the College.

Long-Term Disability Insurance. The College provides disability insurance for full-time employees. Coverage is effective following the completion of one year of service or as specified by the current long-term disability carrier, provided the employee is actively at work. When an employee files a claim and is found to be eligible, benefits begin after six months of continuous total disability. The benefit can equal up to 60 percent of the employee's covered monthly salary. The long-term disability insurance premium is paid by the College.

Liability Insurance. All employees are named as "additional insured" under the College's comprehensive liability insurance policy.

Retirement Plans:

The College provides two retirement plan options to choose from: The State Employees' Retirement System (SERS) and the Teachers Insurance and Annuity Association (TIAA). Membership in a system is required for qualified employees and the selection, once made, is irrevocable. Employee and College contributions for the two plans are as follows:

	SERS (Public)	TIAA/CREF (Private)
Employee Contribution Rate	*8.25% or 7.50%	6.25%
College Contribution Rate	*determined by SERS annually	9.25%

*Contingent on footprint in system or multiplier chosen.

Paid Leave:

Holidays. The College offers 10 paid holidays to full-time, 12 month, non-faculty employees.

Vacation. Full-time, 12-month, non-faculty employees may take vacation leave as earned throughout the year with the advance approval of their supervisor. Exempt Administrative, Professional and Technical (APT) staff receive 20 paid vacation days per year. Non-exempt APT staff receive 15 days per year, and after the fifteenth year of employment, 20 days per year are granted. Service staff, upon hire through the tenth year receive 10 paid vacation days per year, after the tenth year through the fifteenth year, 15 days per year are granted; and after the fifteenth year of employment, 20 days per year are granted.

Sick Days. Full-time, 12-month employees are entitled to up to 12 days of paid sick leave per College fiscal/academic year. All other full-time employees are entitled to up to 10 days of paid sick leave per fiscal/academic year.

Personal Days. Full-time employees are entitled to up to 3 days of paid personal leave per College fiscal/academic year. Non-faculty or replacement faculty who commence employment at a time other than the first day of the normal work year for their position are entitled to personal days based on a prorated schedule during their first year of employment.

Emergency Days. Full-time employees may use up to 2 days per year for emergency leave with pay upon approval by the College for absences that meet the definition for emergency leave per policy and that are not covered by other leave benefits.

Bereavement Leave. Full-time employees are allowed 5 work days of absence with full pay for bereavement purposes in the event of a death in their immediate family, and 1 day with pay in the event of the death of a near relative.

Jury Duty. Full-time employees will be paid the difference between the salary earned in court and their regular salary as an employee.

Sick Bank. All full-time employees periodically contribute a day of their sick leave to a sick bank, thus providing a reservoir of additional sick leave for employees who are confronted with a serious loss of

earnings due to an extended inability to work resulting from a severe illness or injury. Employees must be eligible to accrue the maximum yearly allotment of sick leave in a fiscal/academic year before they must contribute to, or can apply for leave from the sick bank.

Compassion Leave. Full-time employees may voluntarily contribute personal leave to compassion leave. This provides a reservoir of paid personal leave for employees who are confronted with a serious loss of earnings due to an extended inability to work resulting from a catastrophic illness suffered by a spouse, domestic partner, child, or parent.

Education Benefits:

Waiver of Tuition and Lab Fees. Full-time employees and their spouses, domestic partners, and dependent children are eligible for waiver of tuition and associated fees for credit and noncredit courses offered at Penn College. This benefit is limited to two credit courses per semester during the employee's regular full-time work calendar (but unlimited for the spouse, domestic partner and dependent children). The number of noncredit courses for which tuition is waived is unlimited for the employee as well as for spouse, domestic partner and dependent children. A repeated course is not eligible for the waiver of tuition.

*A dependent child is defined as a dependent for income tax purposes in the calendar year for which the tuition waived is used.

Tuition Reduction: Penn State. Full-time employees and their spouses, domestic partners, and unmarried dependent children are eligible for a 75 percent reduction of Penn State credit tuition. Employees are eligible for tuition reduction for undergraduate and graduate credit courses, while spouses, domestic partners, and unmarried dependent children are eligible for tuition reduction for undergraduate credit courses only. This benefit is limited to two credit courses per semester during the employee's regular full-time work calendar (but unlimited for spouse, domestic partner, and unmarried depend children).

*A dependent child is defined as a dependent for income tax purposes in the calendar year for which the tuition reduction is used.

Tuition Reimbursement. Full-time employees are eligible for a 75 percent reimbursement for tuition expenses for college-level credit course(s) taken at colleges/universities recognized by the Council for Higher Education Accreditation (CHEA). Courses must be directly related to the employee's professional development and meet established criteria.

Lycoming College & Penn College Tuition Exchange Program (LPTE)

Full-time employees can apply for consideration to participate in the LPTE Program on an annual basis. Only three (3) will be selected to participate each year. This program allows dependent children of Penn College employees to be considered for tuition benefits at Lycoming College. The benefit is for students seeking their first degree, and does not include currently enrolled students, re-enrollees, or transfer students. Up to a maximum of three new students may be granted participation into the LPTE benefit program each academic year.

Other Benefits:

Employee Assistance Program (EAP). The College provides an EAP to full-time and regular part-time employees and any members of their immediate household. The EAP is designed to assist with personal difficulties that may affect the quality of life or job performance (e.g. marriage, family, substance abuse, and emotional stress). The EAP premium is paid by the College.

Tax Sheltered Annuity. The College will make provisions for tax sheltering a portion of the employee's earning for the purpose of purchasing an annuity.

College Store Discounts. The College Store gives full-time and regular part-time employees a 15 percent discount on most purchases upon presentation of the employee's ID card.

Children's Learning Center. The College has an on-site day care center.

Adoption Assistance. The College will assist full-time employees with Qualified Adoption Expenses that are reasonable and necessary adoption fees, court costs, attorney fees and other expenses directly related to and whose principle purpose is for, the legal adoption of an eligible child, whether or not the adoption is finalized.

College Health Services. The College has an on-site health services center with medical providers who are ready to respond to on-campus medical emergencies. The center also offers a variety of routine health services to students, faculty, and staff, such as assessment of acute illnesses, immunizations, health screenings, lab services and wound repair. (Fees may apply to some services)

Fitness Center. The College has an on-site fitness center.

Credit Union. Employees are eligible for membership in the Williamsport Teachers Credit Union, PSECU (Pennsylvania State Employees Credit Union), and the Penn State Federal Credit Union. The credit unions provide a range of financial services, including various types of loans/savings programs and provide for repaying loans or systematically making savings deposits through payroll deductions or direct deposit.

Wellness Program. The College is committed to improving the health status and quality of life on our campus by encouraging wellness for employees and their families through educational programs, health screenings, and wellness activities.

All Penn College employees are eligible to participate in most Wellness activities. For some specific programs, such as Embrace Your path through the College's insurance consortium (LCIC), participation is restricted to only those employees and spouses covered by the College's group health insurance plan.
