

PART I--STUDENTS EDUCATED BY THE RESIDENT SCHOOL DISTRICT

Definitions:

Educating District: A school district providing instruction or paying for the education of students in private schools.

District of Residence: The school district where the parent/legal guardian resides.

Item Number		Type of Student	PAsecureID	PIMS Reporting Responsibility	ADM Attribution	Entity Responsible for Ensuring Student Participation in the State Assessment	Performance and Participation Attributed to:
<i>In the following examples, the student is either educated by the school district of residence or it is the school district of residence's reporting responsibility.</i>							
1.0	Resident	Resident student in membership - includes emancipated minor and adopted/pre-adopted student	District of Residence	District of Residence	District of Residence	School in District of Residence	-School of Residence -District of Residence -State
2.0	Resident- <i>Student with IEP</i>	Resident student with IEP placed into school district operated regular/special education program that is located in one building/site within district of residence	District of Residence	District of Residence	District of Residence	School student would otherwise attend in District of Residence	-School of Residence -District of Residence -State
3.0	Resident-Dual Enrollment Grant Program	Resident student concurrently enrolled in postsecondary courses to receive both secondary and postsecondary credit. Dual Enrollment Grant Funds received by Resident District.	District of Residence	District of Residence	District of Residence	School in District of Residence	-School of Residence -District of Residence -State

PART I--STUDENTS EDUCATED BY THE RESIDENT SCHOOL DISTRICT

Definitions:

Educating District: A school district providing instruction or paying for the education of students in private schools.

District of Residence: The school district where the parent/legal guardian resides.

Item Number		Type of Student	PAsecureID	PIMS Reporting responsibility	ADM Attribution	Entity Responsible for Ensuring Student Participation in the State Assessment	Performance and Participation Attributed to:
<i>In the following examples, the student is either educated by the school district of residence or it is the school district of residence's reporting responsibility.</i>							
4.0	Resident- Affidavit 1302 School Code- <i>Student with or without IEP</i>	Affidavit student living with adult other than parent/legal guardian - may or may not be court-placed	Educating District	Educating District	Educating District	School in district in which student is enrolled	-School in district in which student is enrolled -District in which student is enrolled -State
5.0	Resident- Foreign Exchange	Foreign exchange student in membership	Host family's district	Host family's district	Host family's district	Host family's district	-Host family's district -State
6.0	Resident- Homeless- <i>Student with or without IEP</i>	Homeless student in membership - Student is <u>not</u> living in a shelter or residential facility.	Educating District	Educating District	Educating District	School in district in which student is enrolled	-School in district in which student is enrolled -District in which student is enrolled -State
7.0	Resident- Foster Home	Resident student placed by the court or by a child care agency into a foster home in district that parent/legal guardian resides. The District of Residence is educating.	Educating District	Educating District	District of Residence	School in District of Residence	-School of Residence -District of Residence -State
8.0	Resident- Migrant	Migrant student in membership	Educating District	Educating District	District of Residence	School in District of Residence	-School of Residence -District of Residence -State

PART I--STUDENTS EDUCATED BY THE RESIDENT SCHOOL DISTRICT

Definitions:

Educating District: A school district providing instruction or paying for the education of students in private schools.

District of Residence: The school district where the parent/legal guardian resides.

Item Number		Type of Student	PAsecureID	PIMS Reporting responsibility	ADM Attribution	Entity Responsible for Ensuring Student Participation in the State Assessment	Performance and Participation Attributed to:
<i>In the following examples, the student is either educated by the school district of residence or it is the school district of residence's reporting responsibility.</i>							
9.0	Resident- part time student -enrolled in other courses- <i>Student without IEP</i>	Resident part time nonpublic or home education (home schooled) student without IEP in membership, enrolled in courses other than math/language arts	District of Residence	District of Residence	District of Residence	N/A	N/A
10.0	Resident- part time student -enrolled in math/language arts	Resident part time nonpublic or home education (home schooled) student in membership, enrolled in math/language arts	District of Residence	District of Residence	District of Residence	School in District of Residence	-School of Residence -District of Residence -State
11.0	Resident- part-time student - <i>Student with IEP</i>	Resident part time nonpublic or home education (home schooled) student with IEP in membership	District of Residence	District of Residence	District of Residence	School in District of Residence	-School of Residence -District of Residence -State

PART I--STUDENTS EDUCATED BY THE RESIDENT SCHOOL DISTRICT

Definitions:

Educating District: A school district providing instruction or paying for the education of students in private schools.

District of Residence: The school district where the parent/legal guardian resides.
