

Pennsylvania Department of Education Institutional Review Board (PDE IRB) Application for PDE IRB Review

Attachment A: Additional Research Staff

Research staff responsible for, or working on this project should be listed below. Submit as many pages as required.

PDE IRB requires principal investigators, co-investigators, and all research staff who will have contact with human subjects and/or access to identifiable personal records to complete training in human subject protection every three years. HIPAA, Good Clinical Practice, or Responsible Conduct of Research training is NOT accepted in lieu of human subject protections training. Submit a CV or resume (five pages maximum per person) as well as documentation of appropriate human subjects protections training for each person listed.
