Memorandum of Understanding
for
Dual Enrollment/High School Enrichment Program
between
21STCentury Cyber Charter School
and
Bucks County Community College

- I. **PARTIES.** This Memorandum of Understanding (MOU) is made and entered into by and between the 21st Century Cyber Charter School (21st Century CCS), whose address is 1245 Wrights Lane, West Chester, PA 19380 and Bucks County Community College (Bucks), whose address is 275 Swamp Road, Newtown, PA 18940. 21st Century CCS and Bucks may be collectively hereinafter referred to as "the Signatory Parties" or individually as a "Signatory Party." This MOU shall be effective as per Section IV of this Agreement, *infra*.

BACKGROUND. The high school graduation requirements outlined in Chapter 4 of the Pennsylvania Public School Code of 1949 afford high school students the opportunity to earn dual credits (high school and college simultaneously) for completing college as well as independent study courses.

Senate Bill 237 amended the Public School Code of 1949, allowing students of brick-and-mortar charter schools, regional charter schools, and cyber charter schools to enroll in concurrent college courses through an institution of higher education.

Thanks to this legislation, 21st Century CCS is now positioned to pursue dual enrollment partnerships with institutions of higher education. Bucks is a well-established provider of dual enrollment courses and continues to transition to a more personalized and customized competency-based learning environment where students have a variety of pathways to pursue their interests with a course of study that both meets graduation requirements and provides them with a voice and a choice.

Given the above, 21st Century CCS wishes to enter into this MOU with Bucks to provide 21st Century CCS Cyber Charter School students with an alternative educational experience that affords students with the opportunity to earn dual credits in a college setting.

- II. **PURPOSE, INTENT, & GENERAL PROVISIONS.** The purpose of this MOU is to confirm the Signatory Parties' intent that 21st Century CCS will provide tuition at the mutually agreed-upon rate for each course scheduled in connection to this Agreement and purchase the textbooks related to those classes for each student participating.

The mutually agreed upon tuition rate of \$165.00 per credit is in effect only for 21st Century CCS students residing within the boundaries of Bucks County and participating in the Dual Enrollment Program for 2022-2023. 21st Century CCS students located within counties not served by a Pennsylvania community college who opt to participate

in this dual enrollment program qualify for a non-sponsored tuition rate of \$195.00 per credit.

Bucks will waive all technology fees and provide access to placement testing, at no additional cost, for all students who intend to participate as dually enrolled students under the terms of this Agreement. 21st Century CCS students wishing to participate in the program must take placement testing in Reading, Writing, and Math to determine college readiness or take advantage of alternative placement options offered by Bucks (i.e., “holistic” placement whereby high school juniors with at least a 3.25 GPA or high school seniors with at least a 3.0 GPA are automatically deemed to be at college-level in Reading, Writing, and Math).

Specific fees related to courses with a laboratory component or special supplies will be billed separately to the student and/or parent or guardian.

- III. **TERM OF AGREEMENT.** This MOU becomes effective upon its execution by both the Board of Trustees, 21st Century CCS Cyber Charter School, and the President, Bucks County Community College.

This MOU shall be binding upon the signatures of the Signatory Parties and their respective successors.

The term of this agreement shall run from October 2022 through August 2023.

This agreement shall be reviewed by both parties in June 2023 to assess process and overall success.

- IV. **PROVISION OF FUNDS.** Funding for this program will be provided by 21st Century CCS students. (see Section III, *supra*).

21st Century CCS stipulates that dually enrolled students will provide tuition directly to Bucks in accordance with the billing and accounting procedures of the Bucks Student Accounts Office.

- V. **STUDENT CRITERIA.** Students must complete the High School Enrollment Application online prior to enrolling in Bucks courses. Students are also required to satisfy placement testing requirements or submit transcripts for a holistic placement testing waiver prior to enrolling in a course. In addition, students must satisfy either all criteria listed under Section A or Section B, *infra*.

A. Criteria:

1. The student is in 9th grade or higher.
2. The student demonstrates readiness for college-level coursework in the intended subject area of study, as determined through the placement testing/holistic placement testing waiver process. When approved by 21st Century CCS, students may enroll in courses not deemed college-level, e.g., ACCT103.

3. The student is making satisfactory progress toward fulfillment of high school graduation requirements, either "on time" or ahead of schedule.

B. Continued Eligibility: To remain in this program of study, the student must:

1. regularly attend;
2. be in good academic standing;
3. be free of misconduct violations; and
4. maintain a minimum grade of "C" in coursework.

VI. **COURSES OFFERED.** The following applies to all courses covered by this agreement.

A. Courses are not remedial, unless approved by 21st Century CCS, subject to Section VI, paragraph A.(2), *supra*.

B. The courses are regular college courses available to all members of the 21st Century CCS student body.

VII. **DROP/ADD OF COURSES OFFERED.** Students must abide by all Bucks policies and timelines. Students who drop or withdraw from a course are responsible to notify 21st Century CCS prior to initiating the formal process and must drop or add the course through the appropriate college protocol and technological systems. For students who drop courses, 21st Century CCS students will be subject to the Bucks refund policy of record regarding tuition and fees due.

VIII. **STUDENT CREDIT.** To successfully complete a course listed in this agreement, students are subject to the conditions of both the course syllabus and Bucks's grading policy.

21st Century CCS will award high school credit for all courses successfully completed under this agreement, pursuant to Chapter 4 of the Pennsylvania Public School Code of 1949, as amended, and in accordance with local board policies.

Bucks will award postsecondary credits to students who successfully complete courses identified within this agreement.

Bucks will transcript credit(s) in a manner identical to non-dual enrolled students who take a course(s) at this institution.

IX. **COURSES.** Bucks's course catalog is open to all dually enrolled students who meet respective course requirements.

The parties will work together to minimize the number of 21st Century CCS students enrolled in the same Bucks course offering.

Total approved cost for the course:

Tuition: In-County - \$165/credit; Non-Sponsored County - \$195/credit; Out-of-County - \$330/credit.

Books: As required by faculty and noted in course syllabuses.

Fees: Technology Fee is waived. Instructional lab and special supplies fees may apply, dependent upon course selection.

Transportation: Students will be responsible for transportation to and from their campus and the Newtown, Epstein, or Upper Bucks campus of Bucks, where applicable.

- X. **PROGRAM ADMINISTRATION.** 21st Century CCS and Bucks will designate a single point of contact liaison to support the effective administration of the program.

21st Century CCS Liaison – Director of Curriculum, Instruction and Assessment
Bucks Liaison – Assistant Director, Dual Enrollment

- XI. **OUTREACH AND COMMUNICATION.** Both 21st Century CCS and Bucks agree to provide a mechanism for outreach and communication to the 21st Century CCS community about the educational and economic benefits of higher education, as well as the requirements for participation and enrollment procedures to staff, parents, and students.

This outreach and communication will consist of a student orientation, student and parent/guardian information session and promotional materials (including a letter of invitation), and a student agreement.

- XII. **AMENDMENT/WAIVER.** This MOU cannot be amended, modified, or revised unless done in writing and signed by both Signatory Parties. No provision may be waived except in writing and signed by both Signatory Parties.

The failure by a Signatory Party to enforce any provision of this MOU or to require performance by the other Signatory Party will not be construed to be a waiver or in any way affect the right of either Signatory Party to enforce such provision thereafter.

Either Signatory Party may terminate this MOU upon ninety (90) days' prior written notice to the other Signatory Party. If any provision of the MOU is found to be unenforceable, that provision will be severed and the remainder of this MOU will continue in full force and effect.

21st Century CCS and Bucks agree not to unlawfully discriminate on the basis of race, nationality, ethnicity, religion, gender, age, or disability in any undertaking pursuant to this agreement.

Purpose

Term

The term of this agreement will become effective upon the signatures of both parties and will remain in effect so long as both parties wish to continue the dual enrollment program. Should this Agreement be terminated by either party while students enrolled in 21st Century Cyber Charter School are attending courses at Messiah University, the students shall be allowed to complete those courses.

Program Description

Dual enrollment provides motivated high school juniors and seniors the opportunity to take college courses that satisfy both high school graduation and college credit requirements.

Student Eligibility

To enroll in a Messiah University dual-enrollment course you must meet these eligibility requirements:

- Entering, or currently in, junior or senior year of high school and at least 15 years of age at the time the student will be participating in the dual-enrollment course
- Demonstrate a GPA of 3.0 or higher on a high school transcript and satisfactory progress toward meeting high school graduation requirements as determined by 21st Century Cyber Charter School
- Submit the Messiah University Dual Enrollment Recommendation Form from a teacher and/or guidance counselor
- Submit the Messiah University Parent/Guardian Permission Form
- Satisfy the prerequisite requirements, if any, for the specific courses in which the student seeks to enroll

Courses

Messiah University offers dual-enrollment courses at its main campus, located in Mechanicsburg, PA. This option provides a traditional collegiate classroom experience with face-to-face interaction with professors and classmates. A limited number of online courses are also available during the fall and spring. Following the registration of Messiah's undergraduate students each term (fall semester, spring semester and summer) the College makes remaining class openings available to dual-enrolled students. Approved dual enrollment students may also enroll in online courses offered during Messiah's summer term.

Dual enrollment students will be accountable for the same classroom and attendance requirements as regular college students, including the use of assigned textbooks and

instructional resources (i.e., laptop computers). Students will have access to Messiah University's Student Computer Services, Murray Library, Writing Center and Learning Center, as well as Supplemental Instruction if associated with a particular course.

Student Credit

Students may take a maximum of seven credits per semester at the discounted dual enrollment tuition rate. If a student takes more than seven credits in a particular semester, the part-time non-degree tuition rate will apply to the credits beyond seven.

A minimum grade of "D" must be earned to be considered successfully completed under this agreement. Courses may not be taken "pass/fail" if the student wishes to receive high school credit.

The University acknowledges 21st Century Cyber Charter School's right to apply credit toward high school graduation requirements, as 21st Century Cyber Charter School deems appropriate. The University will award postsecondary credit to students who successfully complete courses. The University transcript will reflect completion of college-level work according to commonly accepted post-secondary practices. There will be no notation of high school status on the transcript.

Messiah University is a regionally accredited university. Messiah University credit may transfer to other colleges or universities as a general education course, a major requirement or a free elective. If a student in a dual enrollment course should become a regularly enrolled postsecondary student at the University, the University shall recognize the credits from the dual enrollment course as applying to the student's degree requirements as it would for any regularly enrolled postsecondary students who took the course.

Tuition and Related Expenses

21st Century Cyber Charter School students are responsible for all payments of tuitions and fees. Students enrolled in the Dual Enrollment program will pay a significantly discounted cost per credit. For the 2022-2023 academic year, the tuition rate is \$150 per credit, excepting courses associated with the Emerging Health Professionals program, which are \$200 per credit. Up to seven credits per semester can be taken at the discounted rate. After course registration, a bill showing the amount charged for tuition, fees, course materials and other costs (if applicable) will be available to the student via the student's online portal.

All public school principals, including charter and cyber charter school principals, are subject to the applicable certification requirements of the Public School Code (24 P.S. § 11-1109) as well as any Act 45 continuing education and Pennsylvania Inspired Leaders (PIL) requirements. In keeping with the intent of section 1109, any person who devotes half or more of their time to supervision or administration in a public school, without an identified principal, is serving as the “principal” of the school regardless of the locally titled position (i.e., school director, head teacher, etc.). Such individuals must hold a valid administrative certificate and comply with all applicable Act 45 and PIL requirements. In addition, the public school should properly identify the individual as a principal in PIMS/PERMS regardless of the local title utilized.

The Charter School assures that the Public School Code (24 P.S. § 11-1109) as well as any Act 45 continuing education and Pennsylvania Inspired Leaders (PIL) requirements are met as outlined above.
