WHAT IS PRE-K COUNTS?

Pennsylvania Pre-K Counts, established by the Pennsylvania Department of Education, is bringing quality half-day and full day pre-kindergarten to 3 and 4 year olds in Pennsylvania.

WHO IS ELIGIBLE?

- Children who are between age 3 and until the entry age of kindergarten; and live in families earning up to 300% of the Federal Poverty Level.
- Each program offering Pre-K Counts classrooms has their own guidelines. If your child falls into these categories, you may be eligible to apply.

WHY DOES MY CHILD NEED TO ATTEND A HIGH QUALITY PRE-K PROGRAM?

Quality pre kindergarten prepares children for reading and math, but also for paying attention, following directions, and getting along with others.

Enrolling your child in quality pre k means your child has a better chance of being ready for kindergarten. With a strong early start in pre k, they have a better chance doing well in school, going to college or career training, and getting a good job. All of this can start by enrolling your child in PA Pre K Counts!

WHAT CAN I EXPECT FROM A PRE-K COUNTS CLASSROOM?

PA Pre K Counts classrooms will:

- Have teachers with the education & expertise to teach young children;
- Use a curriculum that will help your child grow academically and socially;
- Regularly review your child's progress & choose teaching & learning activities that are best for your child;
- Help you & your child adjust to pre k and smoothly move on to kindergarten;
- Offer a small class size so your child can have plenty of one on one time with the teachers.

HOW MUCH DOES PRE-K COUNTS COST?

The portion of the day that is funded through Pre-K Counts is free to families. The program may charge for additional portions of the day (wraparound childcare, etc.)
