RE USDA Waiver Requests for Summer Coordinated Services Plan

MESSAGE:

The Pennsylvania Department of Education (PDE), Bureau of Food and Nutrition (BFN), has requested a waiver from 7 CFR 225.3(e) and 7 CFR 292.10, requiring each State establish, and update annually as needed, a plan to coordinate the statewide availability of services offered through the Summer Electronic Benefit Transfer Program and the Summer Food Service Program.

This is a required public notice that PDE, BFN submitted a request to USDA for waivers from the aforementioned regulations and does not imply the waivers have been approved at this time.
