

Timeline for Events Related to Optional November 2025 Referendum

Special Session Act 1 of 2006

Dates in Timeline Apply to All School Districts except Philadelphia City SD, Pittsburgh SD and Scranton SD

By early March 2025, a school district may determine if there is interest in submitting a property tax reduction referendum question to the voters at the November 2025 municipal election. The referendum question would seek approval for the school district to levy, assess and collect an earned income and net profits tax or a personal income tax for the purpose of annually funding homestead and farmstead exclusions (or millage reductions in certain circumstances). If there is such interest, the chart below contains the timeline for required actions leading up to and following the November 2025 municipal election. (See Sections 321, 332)
