FISH AND BOAT COMMISSION

Proposed Removal of Lower Woods Pond Big Bass Program

[54 Pa.B. 7777]
[Saturday, November 30, 2024]

The Fish and Boat Commission (Commission) has approved guidelines regarding encouraging public participation on possible changes to the designation of streams, stream sections or lakes for special regulation programs. Under 58 Pa. Code Chapter 65 (relating to special fishing regulations), the Commission designates or redesignates certain streams, stream sections and lakes as being subject to special fishing regulations. These designations and redesignations are effective after Commission approval when they are posted at the site and a notice is published in the *Pennsylvania Bulletin*. Under the Commission's guidelines, a notice concerning the proposed designation or redesignation of a stream, stream section or lake under special regulations ordinarily will be published in the *Pennsylvania Bulletin* before the matter is reviewed by the Board of Commissioners.

At the next Commission meeting on January 27, 2025, the Commission will consider taking the following action with respect to waters subject to special fishing regulations under 58 Pa. Code Chapter 65, effective upon publication in the *Pennsylvania Bulletin*.

58 Pa. Code § 65.9. Big bass

The Commission will consider removing the following water from its list of "Big bass" waters regulated and managed under 58 Pa. Code § 65.9 (relating to big bass):
