

# Ross Run, Forest County

Children/Disabled Fishing Area

Stream Habitat Improvement Project

# Notes:

- Children/Disabled Fishing Area is located on US Army Corps of Engineers property 10 minutes from Tionesta.
- Project started in 2009 and construction of fish habitat improvement structures have been ongoing every year since.
- PFBC conducts the design and supervises the construction. Kellettsville Sportsman Club and other volunteers provide funding from donations and labor.
- Kellettsville Sportsman Club and project partners hold fishing derbies three to four times a year. Each event receives a new stocking of trout.
- PFBC also stocks Ross Run twice a year.

A topographic map of Ross Run in Forest County, Pennsylvania. The map features contour lines indicating elevation, with labels such as 1200, 1300, 1400, 1500, 1600, 1700, and 1800. The Ross Run stream flows from the upper right towards the lower left. A red line highlights a section of the stream in the middle-right portion of the map. Various roads are shown, including German Hill Road, Starr, Plateau Drive, Orchard Drive, and Jug Handle Road. A callout box with a white background and black border points to the red line. The callout box contains the following text:
