WHEREAS, it is necessary to take immediate steps to provide for the reopening of the northbound and southbound lanes on Interstate 95 and to repair or reconstruct the bridges.

NOW THEREFORE, pursuant to Article IV, Section 20 of the Pennsylvania Constitution, I do hereby proclaim the existence of a general disaster emergency in Philadelphia County and authorize and direct that the Pennsylvania Emergency Management Agency Director, or designee, assume command and control of all statewide emergency operations and that all Commonwealth departments and agencies, under the direction of the Pennsylvania Emergency Management Agency Director, or designee, utilize all available powers, resources and personnel as is deemed necessary to cope with the magnitude and severity of this emergency event pursuant to the provisions of the Emergency Management Services Code, Title 35, Part V of Pennsylvania's Consolidated Statutes. 35 Pa. C.S. § 7101, et seq.

FURTHER, I hereby transfer \$2,000,000 in unused appropriated funds to the Pennsylvania Emergency Management Agency for Emergency Management Assistance Compact expenses related to this emergency, to be increased or decreased as conditions require pursuant to the provisions of section 7604(a) of the Emergency

The aforementioned funds shall be used for expenses authorized and incurred related to this emergency. These funds shall be credited to a special account established by the Office of the Budget. I hereby direct that any funds transferred herein that remain unused after all costs related to this emergency have been satisfied shall be returned to the General Fund.

FURTHER, all Commonwealth agencies purchasing supplies or services in response to this emergency are authorized to utilize the emergency procurement procedures set forth in section 516 of the Commonwealth Procurement Code, 62 Pa. C.S. § 516. This Proclamation shall serve as the written determination of the basis for the emergency under 62 Pa. C.S. § 516; and

FURTHER, I hereby authorize the Secretary of Transportation to use all available equipment, resources, and personnel of the Department of Transportation, in whatever manner that he deems necessary, to ensure that all property, roads and highways in the areas that may be affected by the emergency event are cleared of debris or any other obstructions resulting from this event and to ensure that highways, bridges, roadbeds, and related facilities and structures that may sustain damage in the disaster affected areas are immediately repaired, maintained, reconstructed, or replaced, or that new construction is undertaken where necessary. In addition, I hereby waive any laws or regulations that would restrict the application and use of the Department's equipment, resources, and personnel to assist local jurisdictions in the repairs, maintenance, reconstruction, construction and clearing and removal of debris or obstructions from non-state-owned property, roads or highways, if necessary. This assistance to local jurisdictions may be provided solely at the discretion of the Secretary of Transportation. FURTHER, I hereby suspend the provisions of any other regulatory statute prescribing the procedures for conduct of Commonwealth business, or the orders, rules or regulations of any Commonwealth agency, if strict compliance with the provisions of any statute, order, rule or regulation would in any way prevent, hinder, or delay necessary action in coping with this emergency event. All Commonwealth agencies may implement their emergency assignments without regard to procedures required by other laws, except mandatory constitutional requirements, pertaining to the performance of public work, entering into contracts, incurring of obligations, employment of temporary workers, rental of equipment, purchase of supplies and materials, and expenditures of public funds; and
