

Bureau of Medical Marijuana

Request for Approval: Grower/Processor Additional 30-Day Period

28 Pa. Code § 1151a.24(a)

Pursuant to Pa. Code § 1151a.24(a) of the Medical Marijuana Act., a grower/processor may obtain and transport seeds or immature medical marijuana plants from outside of this Commonwealth for the purpose of securing its start-up inventory. Seeds or immature medical marijuana plants obtained from outside of this Commonwealth shall be obtained within 30 days from the date that the Department determines that the grower/processor is operational; between December 1 and December 30 annually; or ***within any 30-day window established by the Department*** (emphasis added). To request an additional 30-day period to obtain and transport seed and immature plant material from outside this Commonwealth, submit this completed form and a Request Form Cover Page. A request will be deemed incomplete, and not considered, until all required documentation is received at least 60-days prior to the Requested Start Date listed below.

NOTE: This request is only to be made if an additional 30-day window for obtaining and transporting seeds and immature plant material is necessary in addition to the annual window, between December 1 and December 30, established by the Department.

Submitting your Request

All documents must be saved as a PDF file with the following file naming format: [name on permit]_[name of document]. Files should be submitted in a singular correspondence via email to RA-DHMMRCompliance@pa.gov.

Please ensure the form is properly signed and dated. A signature may be scanned and provided electronically in a PDF file.
