

## Keystone Login Guidelines

This will take a computer (PC/Laptop) with either Microsoft Edge or Chrome access.

**DO NOT ATTEMPT TO USE YOUR PHONE** for your *initial* Keystone Login registration and/or your *initial* TACS mapping/registration.

- We have found cell phones created errors in the system which can only be cleared out through the administrators.

First thing to ask in the Keystone Login Process is : **Do I have Keystone Login or not?**

- The answer is you might. The state uses Keystone Login for a variety of access.
- You might have one if you set up your **SERS access**. *OR*
- More than likely, if you have one set up using it is with your private email account (gmail, comcast, yahoo, etc..) for a clearance for children's school.
  - o Do you think you already have a Keystone Login Account?
  - o **Click on the link below for the frequently asked questions guide.**

### **STEP BY STEP: (read carefully)**

1. **\*\*\*If you *already* have a Keystone Login go directly to step 4.\*\*\***
2. If you **do not have** a Keystone Logon, Visit the Keystone Login website, <https://keystonelogin.pa.gov> and click "Register" (on the top right of the page).
3. Follow the prompts to create a Keystone Login username, password, and security questions, then click on "Register" when finished.
4. Once you have created a Keystone Login username and password, go to the Training and Certification System (TACS) website, <https://www.tacs.pa.gov/tacs/>
5. Click on "Existing User Not Mapped to Keystone Login".

7. A message will appear stating your TACS profile has been found. Click "OK" to continue. (note: You already have TACS account created because of your state police service, you will now have to edit that account with your personal information)

The screenshot displays a web interface with a grey message box at the top. The message box contains the text: "TACS Profile found. Please map your TACS profile to Keystone Login account." and a green "OK" button on the right side. Below the message box is a dark blue registration form with the following fields:

- Last Name:** TacsUser001
- Date of Birth:** 12/31/1989
- SSN:** \*\*\* - \*\* - 0001
- Confirm SSN:** \*\*\* - \*\* - 0001

At the bottom of the form is a "Sign In" button.

8. A PA Keystone Login block will appear asking if you already have a Keystone Login account. Click on the “Login” option. Enter your username and password, then hit “Login”.

9. A one-time passcode will be sent to the email address or phone number on file that is associated with your Keystone Login information. Enter the passcode into the block provided and click "Submit".
  
10. A box will appear stating your Keystone Login has been successfully mapped to the TACS system. Go back to the main TACS page and login with your username and password.
