You are cordially invited to attend a Public Meeting hosted by PennDOT Engineering District 3-0 regarding the PA Route 54 & PA Route 642 Highway Safety Improvement Project in Valley Township, Montour County

Date: October 16, 2018
Time: 6:00 pm Public Presentation
6:30 pm to 8:00 pm Public Plans Display
Location: Danville Area Middle School
252 Northumberland Street, Danville, PA

The purpose of this meeting is to present the recommended alternative and to share the work completed by the Community Advisory Committee over the past several months. The meeting will include a brief formal presentation, starting at 6:00 p.m., which will highlight the alternative being advanced into design. We ask that all questions or comments are held during the formal presentation. The public will be invited to view the plans and informational stations following the presentation, at which time you may ask questions of the project team or provide comments regarding this alternative.

The Danville Area Middle School is accessible to persons with disabilities. If you need special accommodations, please contact Mr. Kevin James, P.E., PMP, Project Manager, at (717) 221-2021 or c-kevjames@pa.gov.
