Roll Call

Introduction and statement by Executive Director and Committee Chair

Consideration of Proposals:

1. Amend the "Ag Tag" program by creating an easier application process, allowing for automatic renewal, expanding the season dates, and removing the limit on how many tags an individual can receive.
2. Create a general-unit antlerless license.
3. Amend the regulation which creates a six-license limit on the number of antlerless licenses that an individual may have in their possession to allow an individual holding antlerless licenses for Wildlife Management Units 5C and 5D to have up to 10 antlerless licenses in their possession.
4. Create an early archery season for antlerless deer prior to the beginning of the regular archery season.
5. Allow the use of any muzzleloading firearm during the flintlock season on properties enrolled in the Deer Management Assistance Program.
6. Allow the use of a single projectile muzzleloader firearm during the fall turkey season.
7. Remove the requirement that a mentor hunter must transfer their tag to a mentored youth under the age of seven if the mentored hunter harvests a deer, turkey or bear.
8. Elk application process:
 - a. Limit the number of elk licenses drawn by nonresidents to ten percent of the total number of licenses available.
 - b. Require a nonresident to purchase a qualifying license to be eligible to apply for an elk license.
