

# WORKING TOGETHER FOR WILDLIFE

## ART CONTEST 2026

Founded in 1980, the Working Together for Wildlife program has raised over \$2 million for wildlife management and research across the Commonwealth. The winning artist receives a grand prize, and the print goes on sale to the public. Entry for the contest is \$50, 18 and under is free to enter. Checks should be mailed to the Pennsylvania Game Commission Headquarters at 2001 Elmerton Ave, Harrisburg, PA 17110.

**2026 ENTRIES MUST BE EMAILED TO REBAWILLIA@PA.GOV BY**

**FRIDAY MAY 2ND, 2025, 4:00 PM**

## The 2026 Featured Species:

# BARN OWL

The barn owl is a long-legged, light-colored bird with a white, heart-shaped facial disc, whitish or pale cinnamon underparts, and buffy or rusty upper plumage. It is one of two owls native to Pennsylvania with dark colored eyes instead of yellow. They typically nest in barns, church towers, hollow trees, silos, and ventilation shafts.
