WILDLIFE CRIMES AFFECT EVERYONE. The Pennsylvania Game Commission's Operation Game Thief program serves to protect wild birds and wild mammals and encourages those who have information related to wildlife crimes to report details as soon as possible.

To report information, call the Operation Game Thief's toll-free hotline – 24 hours a day, seven days a week, 365 days a year – at **1-888-PGC-8001** or fill out an online form at <http://bit.ly/PGCOGT>.

Calls to the Operation Game Thief hotline are always answered by a secure recording device. Although it is beneficial to provide contact information in case game wardens have follow-up questions, callers may remain confidential. More information about the program is available online at www.pgc.pa.gov.

MONETARY REWARD

If the suspected violation involves the killing of big game animals, or threatened or endangered species, an additional \$500 penalty may be added to those convicted of committing the crime. This additional penalty may be added to fines levied upon those found guilty of Game and Wildlife Code violations. The \$500 enhanced penalty goes into a special fund from which half the amount (\$250) may be paid to the individual who provided the information that led to the conviction. The remainder will be used to offset the costs of Operation Game Thief.
