SERVICE CONTRACT PROVISIONAL APPROVAL

Official General Order A-975 (Service Contracts) provides that the Board Secretary may provide provisional approval of service contracts pending Staff audit and formal Board action.

Provisional approval is contingent on submission of a complete application and review by Board Staff to determine if the service contract appears to comply with the Milk Marketing Law, regulations, and applicable Official General Orders. The requirements of a complete application are listed in Official General Order A-975 Section B Provision 2 (<https://www.mmb.pa.gov/archive/Migration/Documents/OGO%20A-975.pdf>).

Board Staff requires at least four weeks to review proposed service contracts to determine whether provisional approval should be granted.

Parties seeking provisional approval should submit a complete application no later than four weeks prior to the anticipated start date of service contracts.
