BULLETIN

No. 1651
December 2, 2024

NON-CERTIFIED WEIGHER/SAMPLERS

It is a violation of section 553 of the Milk Marketing Law for milk haulers to employ non-certified weigher/samplers.

It is a violation of section 603 of the Milk Marketing Law for milk dealers to buy milk from producers on the basis of samples taken by non-certified weigher/samplers.

Weigher/samplers are certified on a calendar-year basis, January 1 through December 31. Weigher/sampler renewals are due no later than December 1 each year. A number of weigher/samplers who were certified in 2024 have not renewed and are not certified for 2025.

Board Staff will enforce sections 553 and 603 on January 1, 2025. Milk haulers and milk dealers should ensure that weigher/samplers are certified for the current calendar year.

Weigher/samplers who completed the 2025 certification application and submitted payment were issued Weigher/Sampler Certificates. The Certificates show an effective date of 1/1/2025 and an expiration date of 12/31/2025. In addition, a list of actively certified weigher/samplers is on the Board website at <https://www.pa.gov/en/agencies/pmb/license-lists.html#accordion-0e37bd8c8c-item-b5516f5372>.

Further information, including application/renewal forms, is available at <https://www.pa.gov/en/services/pmb/apply-for-or-renew-a-milk-weigher-sampler-certificate.html>
