Good Morning,

As the 2024 spring workshop season comes to a close, the Employer Service Center (ESC) would like to extend a thank you to all who attended our in-person sessions this year. It was wonderful to meet with all of you.

If you weren't able to attend a workshop in person or would like to hear it again, we invite you to attend the virtual Teams presentation scheduled for May 29th at 9:00 am. The presentation will run approximately 2 hours. Questions and participation are welcome through the chat window as the session progresses.

You can find a copy of the workshop slides and handouts on the PSERS website. In early June, a recording along with slide speaker notes will be posted to the website as well.

If you attended a session but didn't have a chance to submit the survey, please take a moment to give us your feedback. Your suggestions for upcoming trainings are helpful and your feedback is welcome to help us fine tune our in-person presentations.
